## Message from the Director

*SRIT is going better and better now and future!*

**ONE TEAM ONE GOAL**

Greeting to all wonderful readers,

It was my pleasure to deliver my message to all readers in our newsletter. This is the platform for SRIT to deliver our message and news for our employees, shareholders and customers.

We will insert the latest news about the company, HR, employee highlight introduce and also event organize in past and future for your attention. SRIT always appreciate employees and hope you all happy working here.

This is the first version of the newsletter for 2019, this is a starting point for us and will continue from time to time.

I hope everyone enjoys reading this and feel free to send us feedback. We would like to hear from you.

Save energy.  
Save money.

### Things to Do:

- Switch Off the light when not in use.
- Switch off air conditioners when not in office.
- Switch off air compressor, water pipe, gas pipe when not in use.
- Close water after use.
- Go Paperless.
